SUMMARY

Experienced instructional designer with an Ed.D. in Instructional & Performance Technology and 25 years of experience teaching language arts in middle and high school settings. Skilled in leveraging technology to enhance learning, including the creation of digital learning communities through Canvas LMS. Seeking a role as an instructional and curriculum designer or instructional technologist, with a focus on analyzing learner needs and developing effective learning solutions for in-person, distance, hybrid, or blended environments across K-12, higher education, and corporate sectors.

EXPERIENCE

July 2019 – Present

Language Arts Teacher/Yearbook Adviser • HALL COUNTY SCHOOLS

- Design, develop, and maintain blended and fully online learning experiences.
- Collaborate with cross-functional teams to analyze learner data and design effective instructional strategies.
- Integrate a variety of technology-based and traditional learning resources to support diverse learning needs.
- Leverage online tools and resources to enhance learner engagement.
- Design, organize, and manage digital learning environments using Canvas LMS.
- Implement diverse assessment strategies to measure learner progress.
- Create and edit instructional videos and multimedia content for integration into Canvas LMS.
- Facilitate online courses, promoting interaction in virtual environments.
- Lead expert subject-matter teams to analyze learner needs and collaboratively design impactful learning experiences.
- Oversee and manage the creation of multimedia content, budgets, and team dynamics.
- Design and teach courses on topics like Multicultural Literature, fostering critical thinking and cultural awareness.
- Design and teach courses on multimedia skills, including video editing, photography, page design, and digital advertising techniques.

July 2017-May 2019

Language Arts Teacher • GWINNETT COUNTY SCHOOLS

- Analyzed learner data to inform instructional design decisions.
- Utilized eClass LMS to create and deliver digital learning experiences that support diverse learner needs.
- Integrated online resources and digital tools to enhance learner engagement and promote deeper understanding.
- Selected by district administrators to model effective reading strategies and instructional techniques for colleagues.
- Designed and facilitated World Literature courses, tailoring content to both honors and standard-level learners.

February 2011-June 2017

Language Arts Teacher • BROWARD COUNTY SCHOOLS

- Applied differentiated instructional strategies to design inclusive learning experiences for ESOL and special education students.
- Analyzed learner performance data to guide instructional design decisions.
- Collaborated with professional learning communities (PLCs) to develop instructional plans and share best practices for effective learning.
- Integrated a diverse range of instructional resources.
- Designed and developed high school World Literature and middle school language arts courses, adapting content to meet diverse learner needs.
